Reading a Shore Transit Schedule

Look at the schedule and determine:

1. Which time point is nearest where you want to get on the bus;
2. Where you want to go and;
3. The direction you will be traveling;

Route #1	Military Over
10:00 AM	10:15 AM
11:00 AM	11:15 AM
12:00 PM	12:15 PM
1:00 PM	1:15 PM
2:00 PM	2:15 PM
3:00 PM	3:15 PM
4:00 PM	4:15 PM
5:00 PM	5:15 PM
6:00 PM	6:15 PM
7:00 PM	7:15 PM
8:00 PM	8:15 PM
9:00 PM	9:15 PM
10:00 PM	10:15 PM

Then:

1. Review the schedule that corresponds with the time and location that you will be traveling;
2. Find your boarding location;
3. Using your boarding location point as a guide, read the schedule times from left to right to find the time the bus will arrive at your starting place.
4. Once you have identified your starting place time, look down the column to find the time that you will be arriving at your destination.

Finding Your Stop

5. Refer to the **Fixed Route** schedules to determine your bus route and departure times. Then, go to the bus stop. It's best to **arrive about five minutes** before your bus is scheduled to arrive and be ready to board when the bus pulls in.

Boarding the Bus

- Have your pass or exact cash fare ready when the bus arrives;
- Passengers should exit the bus before you begin boarding;
- Passengers requiring the use of the mobility device lift should board first. Please wait five feet from the door so, the Bus Operator has room to lower the lift safely.
- Always use caution when entering or exiting the bus;
- Please allow the elderly and disabled riders to sit in the designated front seats.
- When you're ready to get off the bus, signal the Bus Operator about one block before your desired stop by pulling on the YELLOW bell cord above the interior bus window.
- **Bus Operators are available to assist you with your travel questions.**

Getting Off the Bus

- Remain seated until the bus comes to a complete STOP. Make sure that you have all of your personal items and walk off the bus quickly.
